Dear Molly and Daniela:

Thank you for your assistance. I have been the Executive Director for the BID since October 2015 - and it seems that we have a couple of homeless individuals basically living on the streets. They are located at the following areas:

1. African American Male - North East Corner of Highland and Fountain (Living in the bus shelter)
2. Male – Located at the North East Corner of Lillian Way and Melrose at the Pavilions Center
3. Male - Located at the North West Corner of Santa Monica and Highland at the Media Center Kiosk (jPublic Storage Facility)

Let me know if you have case workers that would be willing to go out and speak to these individuals.

Thank you for your assistance.
